	Quality Manual	MC-Q-APA-003
	Quality Policy	
	Revision N° 5	Page 1 of 1

Austin Powder Argentina, Explosives Division upholds the Quality Policy of Austin Powder Company:

- This Policy has the unconditional support of all the management and personnel of Austin Powder Argentina, Explosives Division.
- We will provide all our associates and clients with products and services according to the requirements of our quality policy.
- We will do it once, well and on time.

We will face these challenges with:

- safety
- respect for all individuals
- excellence in all our products and services
- integrity
- social responsibility

Within this framework, we are committed to maintaining a continuous improvement program focusing our attention on the requirements and expectations of our clients and stakeholders, striving to anticipate their needs.

We will carry this forward setting objectives, evaluating their performance and reviewing them permanently.
